

Member to Members Advantage

Here is your complete listing of participating businesses in our Member-to-Members Advantage program. There is no better time to take advantage of doing business in our own community! We suggest that you make this listing available to your employees because many of the participating businesses have included advantages to them too!

If you have not signed up for this program and have a real and obvious advantage exclusive to Chamber Members, call Liz Baker for Member-to-Members policies and contract! Or check our website at www.lowellchamber.org and download the form. (616) 897-9161
